

Help the students of Port Washington/Saukville raise funds for the addition of stage acoustical clouds and sound shells. These acoustical treatments will significantly enhance the acoustics for performers and concert goers alike by directing sound directly to the audience providing a better, more natural aural experience.

The students already sound great; let's help them sound AMAZING! We thank you for your continued support of our district's phenomenal arts programs.

**Contribution levels vary with visibility, as shown below.**

- Executive.....\$300.00+  
Premier seat locations (Pink)
